Checklist

To ensure that we can process your application as quickly as possible, please read the following checklist carefully and ensure that you have provided the following at the time of lodging the application. If you are unclear on any aspect of your application, please contact Brighton Council by phone on (03) 6268 7015 or by email at admin@brighton.tas.gov.au to discuss or arrange an appointment concerning your proposal. Note that Council may require additional information in accordance with section 54 of the Land Use Planning and Approvals Act 1993.

1. A completed Application for Approval for Planning Approval – Use and Development form.
Please ensure that the information provides an accurate description of the proposal, has the correct address and contact details and is signed and dated by the applicant.
2. A current copy of the Certificate of Title for all lots involved in the proposal.
The title details must include, where available, a copy of the search page, title plan, sealed plan or diagram and any schedule of easements (if any), or other restrictions, including covenants, Council notification or conditions of transfer.
3. Two (2) copies of the following information -
 - a) An analysis of the site and surrounding area setting out accurate descriptions of the following -
 - (i) topography and major site features including an indication of the type and extent of native vegetation present, natural drainage lines, water courses and wetlands, trees greater than 5 metres in height in areas of skyline or landscape importance and identification of any natural hazards including flood prone areas, high fire risk areas and land subject to instability;
 - (ii) soil conditions (depth, description of type, land capability etc);
 - (iii) the location and capacity of any existing services or easements on the site or connected to the site;
 - (iv) existing pedestrian and vehicle access to the site;
 - (v) any existing buildings on the site;
 - (vi) adjoining properties and their uses; and
 - (vii) soil and water management plans.
 - b) A site plan for the proposed use or development drawn, unless otherwise approved, at a scale of not less than 1:200 or 1:1000 for sites in excess of 1 hectare, showing -
 - (i) a north point;
 - (ii) the boundaries and dimensions of the site;
 - (iii) Australian Height Datum (AHD) levels;
 - (iv) natural drainage lines, watercourses and wetlands;
 - (v) soil depth and type;
 - (vi) the location and capacity of any existing services or easements on the site or connected to the site;
 - (vii) the location of any existing buildings on the site, indicating those to be retained or demolished, and their relationship to buildings on adjacent sites, streets and access ways;
 - (viii) the use of adjoining properties;
 - (ix) shadow diagrams of the proposed buildings where development has the potential to cause overshadowing;
 - (x) the dimensions, layout and surfacing materials of all access roads, turning areas, parking areas and footpaths within and at the site entrance;
 - (xi) any proposed private or public open space or communal space or facilities;
 - (xii) proposed landscaping, indicating vegetation to be removed or retained and species and mature heights of plantings; and
 - (xiii) methods of minimizing erosion and run-off during and after construction and preventing contamination of storm water discharged from the site.
 - c) Plans and elevations of proposed and existing buildings, drawn at a scale of not less than 1:100, showing internal layout and materials to be used on external walls and roofs and the relationship of the elevations to natural ground level, including any proposed cut or fill.
4. A written submission supporting the application that demonstrates compliance with the relevant parts of the Act, State Policies and the Brighton Planning Scheme 2000, including for industrial and commercial uses, the hours of operation, number of employees, details of any point source discharges or emissions, traffic volumes generated by the use and a Traffic Impact Statement where the development is likely to create more than 100 vehicle movements per day.
5. Application fees.
