

Garbage and Recycling Bin Request Form

Residents to note

- If you are the tenant of the property, the owner/property manager is required to complete and sign this form as there may be some additional costs involved with the replacement of the bins.
- If you have requested to have your bin replaced or repaired, **your bin needs to be out on the nature strip on bin delivery day which is Wednesday**. Failure to do so will delay bins being replaced or repaired.
- Please note that bins may not be delivered on the delivery day if there is an issue with this form or if there is no occupancy permit for the property.
- Bins always remain the property of Brighton Council.
- Bins must remain at the above address of issue, even if the residents move from the above address
