

Brighton Council

POLICY NAME: PLANT AND EQUIPMENT

POLICY NO: 9.4

ADOPTED BY COUNCIL: 20/8/01

POLICY:

Plant and equipment hired for Council works will be sourced subject to:-

- meeting the conditions of the tendering process for the registration of plant and equipment,
- providing suitable plant and equipment for the job at the lowest cost to Council;
- availability of the necessary plant and equipment in a reasonable timeframe to undertake the work; and
- preference will be given to local providers where the above conditions are equal.

Prior written approval from the General Manager will be required to hire any plant and equipment that does not meet the above criteria.
