**Southcentral Workforce Network (SWN) based in Pontville celebrates second anniversary**

September marks the second anniversary of the establishment of the Southcentral Workforce Network (SWN) which commenced in September 2020.

A morning tea/birthday celebration will be held in Pontville to mark the occasion and The Hon. Jane Howlett MLC will attend in an official capacity on behalf of Hon. Felix Ellis MP, to assist with celebrating this milestone and the many achievements to date of the SWN.

The project was the result of a successful grant application from the Southern Central Subregion (SCS) of councils, to the Tasmanian Community Fund, to establish a workforce development project to service the Brighton, Central Highlands, Derwent Valley and Southern Midlands municipalities.

**When:** Wednesday 21 September at 11am
