

**Brighton
Council**

POLICY NAME: Tasmanian Municipal Standards

POLICY No: 6.16

POLICY:

The Institute of Public Works Engineers Australia (IPWEA) Tasmania Division have revised and updated the Municipal Specification and Standards. The intention is to have one municipal standard throughout Tasmania for consistency.

The standards contain additional information in respect to road reservation widths, pavement widths and footpath requirements.

A copy of the IPWEA Tasmanian Division Municipal Standard Specification and Municipal Standards Drawings and amendments can be obtained from the Municipal Engineer.

ADMINISTRATIVE DETAILS:

Policy compiled: October 2003

Adopted by Council: 21/10/2003
