

Major Impact Grant Application

You are about to apply for a Major Impact Grant. The Major Impact Grant is a new grant category that aims to address significant safety, sustainability, loneliness, or other service gaps you have identified within the Brighton Municipality.

The grant is available once a year and has flexibility around when funds are distributed and when the proposed program(s) can take place.

It is recommended you call Brighton Council on (03) 6268 7000, before you fill in your application to discuss your idea.

Given the aim of this grant, preference will be given to applications looking to apply for the entire \$80,000. However, this is not a prerequisite and other applications will be considered.

This application is set out in three sections.

Section One: Who you are, and do you meet eligibility?

Section Two: What you would like to do and why? Section Three: Accountability and next steps.
