Expression of Interest Lease

Unit 2/84 Jetty Road, Old Beach

Brighton
going places

15 MAY 2025

We acknowledge the traditional owners who once walked this country: the Mumirimina people.

The Mumirimina belonged to the Oyster Bay tribe. This was the largest tribe in Tasmania and covered 8000 square kilometres. kotalayna levee in Brighton was a significant meeting place where hundreds of generations of Aboriginal families hunted, gathered, corroboreed, camped and traded.

In the course of colonisation, dispossession of the Mumirimina was early, rapid and extensive.

We acknowledge the Tasmanian Aboriginal Community today as the continuing custodians of this land, and pay our respects to Elders past and present.

Through our words and actions we strive to build a community that reflects and respects the history and hopes for all the people of Brighton.

Introduction

Brighton Council is seeking an expression of interest (EOI) proposal from a suitable applicant to enter into a lease/licence with Council for the property known as Unit 2 /84 Jetty Road Old Beach (CT142569/99).

The Brighton Council is fortunate to have many proactive organisations involved in providing programs and services that aim to support and respond to the needs of our diverse community.

In order to provide a transparent and equitable process for the allocation of our facilities, Brighton Council is undertaking an Expression of Interest process. This process enables Councils to invite, identify and appoint suitable lessees to each of these facilities.

It is Councils expectation that the activities of the successful lessee will compliment the surrounding residential area and contribute to creating a safe, comfortable, quiet residential environment.

The proposed tenancy will comprise of an organisation that will be community focused and operate in a manner that is complementary to the local community and the facility. It will be neighbours to the Old Beach Cricket Club, Old Beach Fire Station, Old Beach playground, dog park and Community centre.

The successful application may be offered a lease of the building shown on the diagram (see Building Specifications’).

The expression of interest is a competitive process solely for the benefit of identifying a respondent with who the Brighton Council might enter further negotiations with.

The Council recognises and is committed to meeting the needs of the community, to have access to Council owned property through appropriate leases.

About the Municipality

Old Beach is located approximately 15 kilometres north-east of Hobart on the eastern side of the Derwent River and forms part of the urban-rural interface of Greater Hobart. The municipality is bordered by Derwent Valley, Southern Midlands and Clarence Councils and is traversed by the Midland Highway, East Derwent Highway, the main north-south railway line and the Jordan River.

The Brighton municipality consists of nine suburbs. Dromedary, Honeywood and Tea Tree are predominantly rural. Bridgewater, Brighton, Gagebrook, Herdsman’s Cove and Old Beach are predominantly urban and house the vast bulk of the population, and Pontville is a significant colonial era village.

The municipal area is approximately 170 square kilometres. It is Tasmania’s fastest growing community with a municipal population exceeding 19,200, and an annual growth rate of 3 per cent. Brighton has a relatively young population with a median age of 34 compared to the State average of 42.

The main activity centre is in Bridgewater at Green Point / Cove Hill which provides two supermarkets and other key commercial, community and office services. This is about a 4-minute drive to Old Beach. However, the Brighton township has historically acted as a rural hub and with its rapid growth is becoming a more significant provider of commercial and community services.

Old Beach has a beautiful foreshore with large areas of salt marsh and bird life. There are great views of kunanyi / Mount Wellington along the track.
